## COLORED BAPTISTS MEET

Nineteenth Annual Session of the Mt. Bethel Association.

Big Attendance of Delegates and Pastors at Mount Zion Church—Important Business Transacted.

The nineteenth annual session of the Mount Bethel Baptist Association convened at Mount Zion Church to-day. The convention was called to order by Rev. W. H. Hickerson, of Little Ark Baptist Church, of King George County, Va., the present moderator.

The association is composed of Baptist churches located in the District of Columbia, and the States of Maryland and Virginia. Each church of the association is entitled to what is known as three messengers or delegates, and as most of the churches of the association were represented at to-day's session, a large number of delegates and preachers were in attendance.

As soon as the association was convened the moderator announced that the first business of the association would be the introductory sermon, which was preached by the Rev. W. H. Johnson, pastor of the Israel Baptist Church, of this city, who selected for his text the forty-fifth chapter of Isaiah, or the twenty-second verse: "Look unto Me, and be saved all the ends of the earth; for I am God, and there is none else." His subject was: "Sovereignty and Salvation."

At the conclusion of the sermon an address was made by the representative of the Mount Zion Church of this city. The moderator then announced a committee which would conduct the count of the ballots which were cast for the different nominees for the moderator of the convention.

The report of the committee on devotional exercises will be submitted during the afternoon session, and the following pastors have been selected to preach the usual sermons:  
On "Christian Hope," Rev. C. C. Washington; alternate, Rev. N. Jackson. Doctrinal sermon, Rev. Alexander Wilbanks; alternate, Rev. L. E. Miller. Missionary sermon, Rev. R. Parker; alternate, Rev. J. H. Lindsey. "Brotherhood of Man," Rev. H. C. Robinson, of the First Baptist Church, of South Washington; alternate, Rev. C. R. Champ. "Reason and Revelation," Rev. W. T. Brooks; alternate, Rev. Z. Gainer. "God's Purpose of Grace," Rev. James Robinson; alternate, Rev. R. L. Wilson.

The evening session of the association will be devoted to the doctrinal sermon by Rev. A. Wilbanks, of Mount Zion Baptist Church. The association will be in session to-morrow.

## Credit Is Your Right

If you buy your furniture here, needn't even ask for it. We'll suggest it ourselves. We want you to have it, if it is any convenience or accommodation to you. Then, again, dismiss that foolish idea about our charging you

## More for Credit!

Not a bit of it! Anyway, how do you know when you come into the store whether you wish to pay or take time. We don't ask the question, and our low prices are for all. 'Twouldn't be fair otherwise.

## The Best Furniture

is what you can alone buy here. You can't keep any other kind. We don't and won't keep the shoddy, cheap kind. We have a reputation—built up by years of consistent business dealing—not to lose, but to maintain.

**John Rudden,**  
YOUR HOUSE OUTFITTER,  
513 7th Street, N. W.

session for three days, and during that time ways and means for the advancement of the work of the convention will be discussed, and reports from the different churches will be submitted.

## RESERVATION TURNED OVER.

Military Lands in Michigan to Be Used as a Park.

Secretary Lamont to-day issued an order turning over to the State of Michigan for use as a State park the military reservation, buildings, and land on Mackinac Island, Michigan.

The transfer was authorized by an act of last Congress and was made at the request of Governor Richards. The lands are to be used only for park purposes, and when the State ceases to use them they are to revert to the United States.

## POOL TABLE LICENSE FEES

Saloon Keepers Who Paid Will Not Get Them Back.

Neither May They Use the Tables, According to the Ruling of the Excise Board.

A good many saloon-keepers in the city have been taught by experience the value of Davy Crockett's maxim, "Be sure you're right, then go ahead."

These men have procured a license of the assessor to run a pool table in their places, and now find that under a ruling of the excise board they will not be permitted to employ the table, and that there are no provisions of law under which they can obtain a refund of the license fee.

Many saloon-keepers under former excise boards were permitted to keep a pool table in a room adjoining the bar, the two being separated by a lattice partition only.

The present excise board changed this regulation and required the partition to be more substantial, the regulation providing that there shall be a solid wall of separation, and that there shall be no door of communication between the rear of the bar, as formerly.

Either through misinformation or by willful disregard of the requirement, the saloon-keepers applied for the pool license without consulting the excise board, and they now find that they will have to depend upon getting bills of relief through Congress in order to obtain a restoration of the fees.

The board of excise has granted but few licenses for bars that are run in conjunction with poolrooms, and in each case the applicant has been required to observe the rule as to partitions.

## RESTRAINING ORDER ISSUED.

Graceland Cemetery Trustees May Not Remove Bodies.

Judge McComas to-day granted a temporary restraining order, returnable September 27, against the Graceland Cemetery Association, of which Mr. Seymour W. Tullock is president, preventing the members of the association from removing bodies interred in the burial ground, or from destroying trees and shrubbery above them.

The action of the court was taken on the petition in equity of Harrison Davis and eleven others, who own lots in the cemetery. It was stated that the cemetery company has expressed its intention of removing the bodies to Woodlawn Cemetery and of cutting the old city of the dead up into building lots.

The owners of lots claimed that they received an estate in fee in their possession, and that they cannot thus be deprived of their interest in it.

## GOES BACK TO HIS MOTHER.

Charlie Newman's Case Investigated by Agent Wilson.

Agent Wilson, of the board of children's guardians, has investigated the charges of cruelty made by Charlie Newman, aged 10 years, against his mother, the widow of Fireman Newman, who met his death in a fire at Seventh and D streets some years ago.

A thorough examination of the boy's body was made, and only a slight bruise was found on his back. It seems that the boy had lost a knife and had been whipped for it. He was soon after sent out to sell papers, and because he was unable to sell them he was afraid to go home. Police-man Yettick picked the boy up near the Eighth precinct station house. His mother called for him this morning, and he willingly accompanied her home to Brookland.

## TIMES KNOWS HIM NOT.

Smooth Swindler Using This Paper's Name to Further His Schemes.

A man who gives his name as E. W. Meyers is operating under the name of the Times on the strength of an alleged connection with the Washington Times. There is no such person in any way connected with the Times. His latest victim is a retired brigadier general of the army whom he encountered in New York. Meyers told him that he had been robbed and on the statement that he was a member of the Times staff the gentleman promptly advanced him a loan. Needless to say it has not been returned.

## Buried in Holy Road.

Many friends of the late Edward J. O'Hare attended his funeral services this morning at St. Stephen's Roman Catholic Church, where Rev. Father O'Connor delivered an impressive address, eulogizing the deceased, and celebrated requiem mass.

The body, incased in a handsome cloth-covered casket, was placed in front of the altar and surrounded by four candles, while the casket was covered with flowers, surmounted by a dove.

The funeral procession, which was large, proceeded to Holy Road Cemetery, where the interment was made.

## Seized Her Pocketbook.

Mrs. Mary E. Chase, No. 1348 Fourth and a-half street southeast, was attacked by a negro yesterday while walking on the Bladensburg road in company with her daughter. The assailant tried to take a pocketbook away from Mrs. Chase, but was scared off by the cries of the daughter.

Officer Cook, of the Ninth precinct, arrested William Blair on the charge, but the ladies said he was not the man. It is thought that Dick Blair was the assailant, and the police are looking for him.

## To Receive the Arious.

Elaborate preparations are being made for the entertainment of the Arios Society, of New York, by the Germania Maennerchor. The Arios Society meets here on August 31, and will bring with them about 400 ladies and gentlemen.

After seeing the sights of Washington, the Society will visit the Lurya Caverns and make a trip through Virginia. A committee consisting of Messrs. B. F. Schubert, Herman Perlo, and Capt. August Schwarz has been appointed to-day for redemption amounting to \$269,720.

## MUST TURN OVER FEES.

Sealer of Weights to Make Return to the Tax Collector.

The Commissioners have adopted a regulation, made pursuant to the requirement of section four of an act for the appointment of a sealer and assistant sealer of weights and measures, approved March 2, 1895.

The act directs that "all fees collected by the sealer or assistant sealer of weights and measures shall be paid over to the collector of taxes of the District, under regulations to be prescribed by the Commissioners," and the order issued is as follows:

"The sealer and assistant sealer of weights and measures of the District shall, on the first day of each calendar month, deposit with the collector of taxes, the gross amount of fees received by them respectively, during the preceding month, accompanied by a sworn statement showing the source of each fee and the character of the inspection or service for which it was charged."

## One Transfer License.

The excise board to-day transferred to Lewis J. Woolen the license heretofore held by Michael Roche, at No. 27 F street northwest.

## Fourteen Garbage Complaints.

Fourteen complaints against the garbage contractor were placed in the hands of the inspectors this morning for investigation.
